

VinUniversity – Holistic Admissions Policy and Entry Requirements

Source: <https://vinuni.edu.vn/admissions/>

VinUniversity adopts a Holistic Admission approach evaluating applicants based on academic excellence, personal achievements, leadership potential, and alignment with core institutional values.

Required application components include high school academic transcripts, standardized test scores (SAT/ACT if available), accredited English proficiency credentials (IELTS Academic 6.5+ or TOEFL iBT 79+), a personal statement essay, and letters of recommendation.

Shortlisted candidates undergo a rigorous structured personal interview with members of the Admissions Committee.

Selection evaluates four core pillar criteria (ADEC): Academic Ability, Discipline, Empathy, and Creativity.
