

VinUniversity – Scholarships and Financial Aid Regulations

Source: <https://vinuni.edu.vn/scholarships/>

VinUniversity provides Merit-Based Scholarships covering 50%, 80%, to 100% of full tuition fees for students demonstrating outstanding academic talent and exceptional achievements.

Need-Based Financial Aid covers up to 100% of educational fees and living expenses for qualified students with financial constraints, ensuring equal educational opportunities.

The Vingroup Science and Technology Scholarship Program supports Master's and Ph.D. scholars pursuing advanced research degrees abroad and at VinUniversity.

Scholarship maintenance is evaluated annually based on cumulative grade point average (CGPA) and active contribution to the university community.
